**The Low Countries in the XXI century
Katerina Konstantourou | piano recital**

Duration: ~50 min (excl. break)

- Nikos Ioakeim | Of all instruments (2016)
- Michalis Paraskakis | Cortex (2015)
- Frank Nuyts | Sonata 1B 'Bruna Husky' (2014)
- Miranda Driessen | Gejaagd II, voor piano en tape (2015)
- Katarzyna Szwed | ewig Frühling (2015)

A programme that displays both the abundance of styles and the international, multicultural character of the Low Countries in the 21st century: alongside the Fleming Frank Nuyts and the Dutch Miranda Driessen comes one Pole and two Greeks - three young composers, émigrés in the Netherlands. It's a versatile bouquet, where generations and backgrounds fuse and where the East meets the West.

All the pieces have been composed for Katerina.
